# NIHONGO-HIROBA

CHILDREN and PARENTS are WELCOME!

- 1 ■ Summer holiday — Nihongo Hiroba
- 2 ■ After school — Nihongo Hiroba
- 3 ■ Wakuwaku — Nihongo Hiroba

I was really pleased because they teach me what I want to learn, whether it be hiragana, kanji or studying for exams.

The 'After-school Nihongo Hiroba' is a class for children who wish to study Japanese or other school subjects, and for foreign parents.

We played in the park with the volunteers ...and caught some butterflies and cicadas too!

Every season at 'Wakuwaku Nihongo Hiroba', we run events for the whole family to enjoy.
