2011 "Kitakyushu Eco-City Certification" - Now looking for supporting groups! (Kitakyushu City Environment Bureau Environment Learning Section)

The "Kitakyushu Eco-City Certification" is asking all companies and organizations for their support.

By supporting the certification, shops and companies can improve their image and contribute to a rise in environmental awareness.

■Advantages for supporters: Under the catchphrase "We are supporting the Eco-City Certification" the supporting organizations will appear on the City`s Homepage and you can do PR at the venue on the day of the event (for example pamphlets, banner, panel exhibition etc). This will improve the image of your company or organization.

■Application period: Until November 18 (Fri) 2011

■Application fee: Free ■Registration period: December 1 2011 ~ November 30 2012 (1 year)

*Successful applicants will receive a certificate and by displaying this we hope you also conduct special discounts or services. (The start for special discounts and services is February 2012. Feel free to choose the length of the discount period)

■Application method: Fill in the application form and hand it in or send it by post, FAX or E-mail. (You can download the application form here:
